

Container Size Information (Pot Size)

Container Size	Gallon Size	Dia.	Height
#1 container	#1 gallon	6.5"	7"
#2 container	#2 gallon	9"	8.5"
#5 container	#5 gallon	11"	10.5"
#7 container	#7 gallon	14"	11.5"
#10 container	#10 gallon	16"	12"
#15 container	#15 gallon	17"	15"
#20 container	#20 gallon	20"	17"

Dig your holes at least 8-10" wider and deeper to allow for loose soil around the roots.

Height Information

Deciduous Tree (leaf)

(average heights - size can vary by species, growing habits and season)

Container Size	Height (ft)
#1 container	4'
#2 container	5'
#5 container	6'
#7 container	6-7'
#10 container	6-7' more roots
#15 container	7-8'
#20 container	8-9'

Conifer (Evergreen)

Container Size	Height (ft)
#1 container	6-10"
#2 container	12-24"
#5 container	2-3'
#7 container	3-4'
#10 container	3-4' more roots
#15 container	4'
#20 container	

Shrub Height information

(average heights - size can vary by species, growing habits and season)

Container Size	Height
#1 container	8-12"
#2 container	12-24"
#5 container	3-4'
#7 container	4-6'
#10 container	
#15 container	
#20 container	

All pot sizes are approximate and can change at any time by suppliers.

Remember you are buying the pot size, tree/shrub size fluctuates and is only an approximation
